FAMILY ADVOCATE - Exempt - Full Time

Job Summary: A Family Advocate works with families to provide on- and off-site support and advocacy services.

Qualifications: Bachelors Degree or Masters Degree in Social Work or related field with a minimum of two years experience working with underserved, low income families preferred. Must have basic computer literacy, the ability to transport clients, and the desire to work in a fast-paced environment. CPR and First Aid Certified. (Training paid and provided by the company.) A current physical, TB test, background test and drug test are required. Drug test and background test are given by the company at company expense. TB and physicals are done by the employee at the employee's expense prior to hire.

Essential Functions:

- * Provide support and advocacy services, on- and off- site, for families concerning: mental and physical health services, involvement with Children's Division, educational needs, legal and housing assistance, employment search and support, and crisis intervention.
- * Provide clinical case management service for families as required by housing vouchers, and voluntary case management services as requested by clients.
- * Provide social/ emotional crisis intervention to families. Connect families to appropriate community resources, such as financial assistance, mental health treatment, housing, employment, healthcare, and to address other needs as identified.
- * Collaborate with community partners to ensure that interventions and community support services are available and easily accessible.
- * Connect families to internal agency services, including: food, clothing, diapers, financial assistance, and health and mental health services.
- * Collaborate as a member of an interdisciplinary team within our agency. Attend weekly huddles and provide a social work perspective when addressing family situations.
- * Complete Needs Assessments, Family Partnership Agreements, and regular updates with families and ensure that information is entered into required systems. Support families in their identified goals and track their progress.
- * Maintain accurate and timely documentation regarding communication and activities with families and services received, including completing required reports, in accordance with policies and procedures.
- * Monitor, document, and follow up on attendance issues weekly to ensure both the safety of children and families and compliance with the attendance policy.
- * Support families in maintaining certification for childcare. Communicate regularly about a family's certification status; help families identify ways to become certified and track monthly progress and compliance with identified plan.
